

It was good to see a number of you at the **AGM** in June. I'm sure, like me, you will be looking forward to hear more about the **20th Anniversary** initiatives and events in due course. For those of you who couldn't make it, Pete Beckley introduced some of the plans for celebrating the **20th Anniversary** of Cornerstone in the Autumn. There will be a **Memory Tree** for putting up memories of Cornerstone. There will be **20 Challenges** including: eating a tube of Smarties and then filling it with 20p's, bring 20 friends to Cornerstone, have 20 different menu items and more. You will already have heard about the **Barn Dance** at Old Mill Hall on 21st November which will be a big family celebration of Cornerstone and the finale to all the **20th Anniversary** events. I will let you know as soon as we have tickets on sale.

On 11th July we will be taking a stall of our gifts and cards to **St Peter & St Paul's Church** in Wantage. They are having an open morning from 10am -12noon, their tower will be open and the views are beautiful, the journey up is not for the faint hearted though, I warn you!

In June we had the privilege to spend time with and pray for a number of very troubled people. I am excited how God is using us and trying not to be frustrated when we don't find out how things have turned out for these people or when we sometimes feel that the problems are too big to solve. Please continue to pray for the staff and our customers, we rejoice in the knowledge that we don't do this alone.

One very exciting development is that we have **THREE** new volunteers starting in July. I look forward to a day when we are not emailing and phoning people on a Friday to fill all the vacant shifts for the following week. I am continually thankful and in awe of the people who do regularly fill in at the last minute and, of course, those who turn up week in, week out to a regular shift, Cornerstone could not run without you.

This month's Special Hot Meal is on Wednesday 29th July and will be Lasagne with new potatoes and salad.

It is the **Cornerstone Prayer Breakfast on Saturday 11th July 8.30am**. It's lovely to see that there are always quite a number of us praying and eating together, I look forward to seeing you there.

God Bless
