

This month it is **20 years** since the first trustees of Cornerstone signed a lease and started work on turning the unit, which was offices, into a café. You may enjoy seeing some pictures of Beri Fray, Frank Cross and John Barlow from 1995, on the second page of this newsletter.

It also marks the end of our lease, last negotiated in 2005. Praise the Lord that our landlord has made us a very good offer to continue to keep the rent lower than market rates for the next five years. We do still have an unresolved issue with the property management charge, which is separate to the rent, do pray that this is quickly dealt with.

You will hopefully, all, already know that our **AGM** is being held on **June 16th at 7.30pm**. Please do support us by attending and pray for us as we prepare our presentations.

Later in the year we are planning a **second hand book sale** to raise donations for Cornerstone, please do hold on to any second hand books you are thinking of getting rid of, we will let you know when we will be able to start collecting them in due course.

Many of you will have noticed, our new posters in the toilets, drawn beautifully by children in St John's Sunday School. As you will know from last month's newsletter, we are hoping to **TWIN both the Cornerstone Toilets** with toilets in the third world where 2.5 billion people (over a third of the world's population) don't have somewhere safe, clean and hygienic to go to the toilet. We are hoping, specifically, to twin with toilets in **Nepal**. What you may not have noticed, is the little box at the till for putting your donation in, please do ask if you don't see it.

This months Special Hot Meal is on Wednesday 24th June and will be Chicken Curry.

It is the **Cornerstone Prayer Breakfast on Saturday 13th June 8.30am**. All are welcome, it is always a blessing to pray and share food together.

God Bless
Sarah Shewring
